Dear Parker-Davis Project Customers and Interested Parties:

In conjunction with the Parker-Davis Project (PDP) Post-2008 remarketing process, Western Area Power Administration (Western) held a meeting on October 1, 2003 to discuss contract extension amendments for existing PDP firm electric service (FES) customers. Subsequently, contract extension amendments were sent to each PDP FES customer with comments due back to Western by December 8, 2003.

Western has received a request to conduct a meeting of all PDP FES customers and interested parties to discuss proposed revisions to the PDP contract extension amendments. Accordingly, a meeting will be held on November 4, 2003 at 1:30 p.m. The meeting will take place at the Desert Southwest Regional Office located at 615 South 43rd Avenue in Phoenix, AZ. All existing PDP FES customers are encouraged to attend.

All materials associated with the PDP remarketing process, including customer comments on the contract extension amendment, are posted on Western's website at <http://www.wapa.gov/dsw/pwrmtkt>.

If you have any questions, please feel free to contact me at (602) 352-2555.
